

Dear Friends,

On March 2, 2006 at the Multiple Sclerosis luncheon at the Ohio Statehouse, the Governor signed HB 379, designating the month of March as Multiple Sclerosis Awareness Month in Ohio.

As State Representative, HB379 was the very first bill that I sponsored. It was supported in the House by a vote of 96-0. It was then supported in the Senate by a vote of 32-0. Today, I am asking you for your support.

Pam and I will be sponsoring a team to walk in the 2008 MS Walk in Columbus on April 12th. Your donation to the NATIONAL MULTIPLE SCLEROSIS SOCIETY will support the significant advances in the research for finding a cure.

There are over 15,000 Ohioans who are affected daily by Multiple Sclerosis. We must make finding a cure our goal! We must make finding a cure a reality!

Please make your check payable to the NATIONAL MULTIPLE SCLEROSIS SOCIETY and mail to:

Representative Kenny Yuko

As I write this letter, there is no known cure for Multiple Sclerosis. For those of us with Multiple Sclerosis, all we have is hope. With your donation, we can continue the efforts to find a cure.

On behalf of the 15,000 Ohioans who have MS, as well as our families, we thank you!

Best wishes,
Kenny Yuko
